I've heard criticism of Mark Dice, saying he only approaches truly stupid looking people to do his surveys, but that's ridiculous.

Most people are far more stupid than they look, especially about serious matters.

It's no wonder California is lost to the Democrat crime family. 😊

According to the HHS website, more than 75,000 children have been released throughout the country this fiscal year.

And, according to Axios, the government has lost contact with nearly one-third of UACs.
